Protect your radios with our Radiocare Package

No more shock repair costs

By covering your radios without Radiocare Package, you won't receive any unexpected repair bills when your equipment needs fixing.

Radios are covered for all repairs* including:

- Manufacturer defects
- General wear and tear
- Accidental damage**

Includes:

Unlimited Free Loan Radios

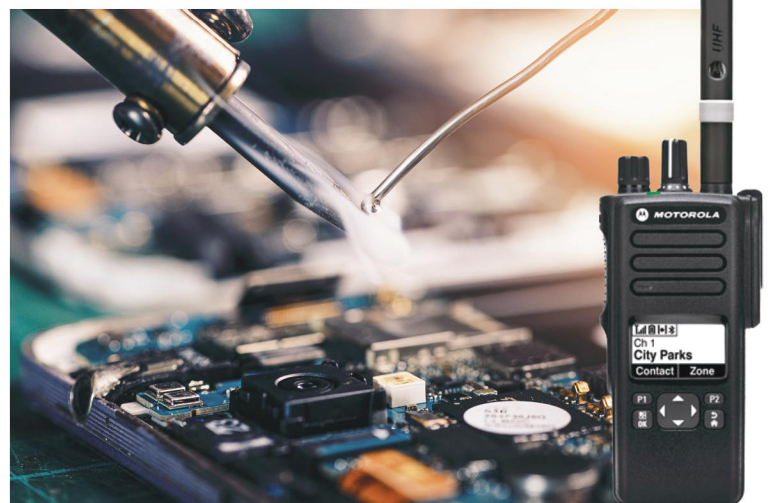

If your radios need to be repaired off site, free loan equipment will be supplied in its place. All radios will be delivered programmed to work with the rest of your system so you can continue as normal.

Technical / Non-Technical Telephone Support

Our team are available to help with any radio issues you may have, whenever you need us; Monday to Friday (8am - 5pm).

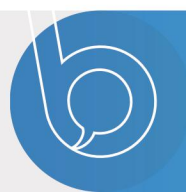

All Shipping Included

We will arrange the collection of your equipment and then deliver it back to you completely free of charge.

* Not including battery replacement or re-casing of radios

** Not including Beyond Economical Repairs
