Expand Mesh Multi-Sport Headset

The Sena Expand Mesh is a compact communication headset equipped with Mesh Intercom™ technology allowing for easy group communication.

With just a touch of a button you can link multiple Expand Mesh headsets and/or any Sena Mesh Intercom™ device for open communication. Perfect for a wide variety of recreational activities.

Whats in the box?

- Expand Mesh Headset
- USB-C Power & Data Cable
- Speaker Pads
- Microphone Sponge

Safe, Hands-Free Communication

The Expand Mesh headset offers a safer way to communicate during outdoor sports and activities. The Expand Mesh allows for convenient full-duplex group communication at extended ranges without having to press a button to talk.

Feature	Details
Range (2 users)	~400 m / 0.25 miles in open terrain
Range (≥6 users)	~1.6 km / 1.0 mile
Group Mode capacity	Up to 24 riders/users
Open Mesh Mode	Virtually unlimited; supports 6–9 channels to manage separate groups

Sleek & Comfortable Design

The Expand Mesh has a low-profile design that sits comfortably over the ears while keeping you aware of your surroundings.

Rounded arms provide a secure fit and the low-hanging neckband allows use with hats, helmets or glasses.

No Obtrusive Headphones

Advanced Noise Control
