DESIGNED FOR SMALLER STORES

VoCoVo Link is an accessible, out-of-the-box communications solution that connects store associates to work stronger, together.

- Ease of use
- Durable
- High Quality Audio
- Connected App
- Isolation & Safety
- Day-to-day task comms

The **Series 5 Pro** headset, tailored for retail use, has been developed based on feedback from the retailers we've partnered with for years. Every aspect has undergone testing to ensure it delivers the durability, comfort, and performance essential for today's retail associates and leadership.

SERIES 5 PRO

The **small, smart battery** supports rapid charging to make sure your teams never go without the connectivity they need.
